\*\* Skills training courses Students in prison are not allowed to register at the same time as skills training. In the same semester.

93442 Professional Experience in Crop Production Management\*

93454 Information for Crop Production Management

93455 Practical Training in Crop Production Management\*\*

*And choose 2 courses from the following:*

93456 Cereal and Forage Crop Production Management

93457 Industrial Crop Production Management

93458 Flowering and Ornamental Plant Production Management

93459 Fruit and Vegetable Production Management

### **C. Open Elective Courses 1 course (6 credits)**

Choose a course from courses offered in the certificate of achievement or certificate programs, undergraduate programs or equivalents, or postgraduate programs.

**3. For applicants who completed a higher vocational certificate or the equivalent in any field other than Agriculture or diploma or the equivalent in any field other than Agriculture.**

### **(1) Program Structure**

The program requires at least 17 courses or 102 credits comprising the following:

A. General Education Courses	3 courses	(18 credits)
B. Area-specific Courses	13 courses	(78 credits)
C. Open Elective Courses	1 course	(6 credits)

### **(2) Program Details**

#### **A. General Education Courses 3 courses (18 credits)**

10121 Human Civilization

10141 Science, Technology and Environment for Life

10151 Thai Studies

#### **B. Area-specific Courses 13 courses (78 credits)**

*Required 11 courses*

90201 Farm Management

90406 Soils, Water and Fertilizers

93256 Skill Training in Crop Production\*\*\*

93257 Introduction to Crop Pests

93335 Science for Crop Production

93337 Crop Improvement and Plant Propagation

93352 Principles of Crop Production Management

93353 Crop Commodity Management

93442 Professional Experience in Crop Production Management\*

93454 Information for Crop Production Management

93455 Practical Training in Crop Production Management\*\*\*

**Note:** \* Students can register for this course only in the final semester before graduation and left 3 courses before graduation.

\*\* Skills training courses Students.

\*\*\* Skills training courses Students in prison are not allowed to register at the same time as skills training. In the same semester.

*And choose 2 courses from the following:*

- 93456 Cereal and Forage Crop Production Management
- 93457 Industrial Crop Production Management
- 93458 Flowering and Ornamental Plant Production Management
- 93459 Fruit and Vegetable Production Management

**C. Open Elective Courses 1 course (6 credits)**

Choose a course from courses offered in the certificate of achievement or certificate programs, undergraduate programs or equivalents, or postgraduate programs.

**4. For applicants who completed a bachelor's degree in agriculture or the equivalent.**

**(1) Program Structure**

The program requires at least 12 courses or 72 credits comprising the following:

- |                              |            |              |
|------------------------------|------------|--------------|
| A. General Education Courses | 1 course   | (6 credits)  |
| B. Area-specific Courses     | 10 courses | (60 credits) |
| C. Open Elective Courses     | 1 course   | (6 credits)  |

**(2) Program Details**

**A. General Education Courses 1 course (6 credits)**

- 10151 Thai Studies

**B. Area-specific Courses 10 courses (60 credits)**

*Required 8 courses*
